

Radio – Sergeant John Henry/Kill Hungrythirsty Dead 15”s

- Script 1) SJH: *(Gently)* Why do polar bears cry?...*(now the usual angry SJH)* If you even cared you're hungrythirsty, a state of weak indecision where the population is stupid thousand and the official language is pathetic. So wipe hungrythirsty off the map with an OAK flavoured milk or I'll see you in hell. I hear it's warm and smells like chicken.
- Script 2) SJH: Tick, tick, tick, ding-dong, it's hungrythirsty time what's hungrythirsty? Stop asking questions. It's a state where you're neither hungry nor thirsty but a bit of both and OAK will kill it so dead that if any hungrythirsty survives, I'll personally go into hospital and play skipping rope with its life support.
- Script 3) SJH: I know you're not working. You're hungrythirsty, where you're neither hungry nor thirsty but a bit of both - so here's an order, drink some OAK flavoured milk- it kills hungrythirsty and ridicules its spirit through séance. That's funny. I haven't laughed since the shark attack of '87.
