

Broken Dreams

SleepCheck - ResApp Health

Romance

A charming male voice begins to read exactly what happens in a romantic dream – a dream that's being had by a snorer's partner.

SFX: The scene is set with romantic music.

Script:

VO: **The captain's hand found the arch of her neck. As he looked deep into her eyes, an expression crossed his face. In any other man, she would have called it love.**

A rush of delight came over her. He grasped her, and whispered: "Tracey, would zzzzzzzzzzzz."

We hear very loud snoring that abruptly destroys the romantic dream.

Snorer's partner (Tracey): **Ah for the love of...**

VO: (Starts abruptly) **Your partner's snoring not only ruins your dreams, if it's sleep apnoea, it could be ruining their health. SleepCheck is an app that tells you if there's more to their snore. Search SleepCheck on the App Store.**

Oscars

In this dream, we hear an acceptance speech at the Academy Awards. Our dreamer has just won best actress!

Script:

SFX: We hear loud applause and award ceremony music. It stops when the acceptance speech begins.

Rupert VO: (Over the PA System): **This is the first award and first nomination for the Australian actress.**

Nikki VO (the dreamer): (holding back tears). **Wow....what an honour, I've never ever acted before. I'm just an accountant from Wagga. Uhm...I want to thank the acad...zzzzzzzz**

We hear very loud snoring that abruptly destroys the wonderful dream.

Nikki: Snorer's partner: **arghhh! Not aga....**

VO: (Starts abruptly) **Your partner's snoring not only ruins your dreams, if it's sleep apnoea, it could be ruining their health. SleepCheck is an app that tells you if there's more to their snore. Search SleepCheck on the App Store.**

Rugby

A sports commentator (think Ray Warren) begins to give a play-by-play of a bloke's dream about winning the State of Origin Grand Final for his team.

SFX: We hear loud cheering – the sort you'd expect from an State of Origin Grand Final.

Script:

Lee VO: **Quick play the ball to the rookie who steps – he beats 1, 2, 3, oh he's taken the whole team on...he's gonna score in the corner. Yes!...but did he get the ball down?!**

Has Dave made rugby league history? Let's look at the replay and zzzzzzzzzzz.

We hear very loud snoring that abruptly destroys the final triumphant moment of the original match dream.

Snorer's partner: **arghhh! You cannot be seri....**

VO: (Starts abruptly) **Your partner's snoring not only ruins your dreams, if it's sleep apnoea, it could be ruining their health. SleepCheck is an app that tells you if there's more to their snore. Search SleepCheck on the App Store.**
