

Tourism Tasmania – Come Down for Air

Radio Script – Wakalina Walk

SFX: *We open on the quiet crackle of a campfire, the chirps of crickets and night birds.
The sounds of a Palawa elder's voice carries on the night air.*

VO: **Wukalina Walk
7:18pm**

**The fire crackles.
A quiet few bend their ears to the elder's voice.
Forty thousand years.
It's a long story to tell.**

But the night's still young.

**Tasmania
Come down for air.**
