Fireman: Son? It's the fire department. We hear you're trapped inside this box of noodles. It must feel like a prison down there.

Chris the Box Boy: (Strong Echo) Prison? Yeah, if prison walls tasted like noodles and bok choy.

Fireman: Son, you sound confused.

Chris the Box Boy: (Strong Echo) *Under his breath...* Cashew Nuts? Does your King sound confused. No, no, good King.

Fireman: He's delirious. Let's get him out fast.

Chris the Box Boy: (Strong Echo) They're coming noodle friends, attack formation. Ready the corn pieces.

ANNCR: **At Noodle Box, our boxes are small outside, big inside.
*Which means you get more than you bargained for.***
